**FEEDING ADVICE**

Weight	2 kg - 10 kg	11 kg - 30 kg	+ 30 kg
Quantity	13 g - 19 g x kg	10 g - 12 g x kg	8 g - 10 g x kg

1 dl = 35 g. Recommended amount depends on your dog's age and activity levels and should be split over two meals a day. Always feed Husse dry food with a bowl of fresh water.

# Optimal

For active medium and large breeds

Husse Optimal is a super premium food, which contains only the finest ingredients where the largest protein sources are chicken and fish. Husse Optimal is suitable for active medium and large breeds, which have a higher energy demands than a normal dog food can offer. Is also recommended for young dogs and for pregnant and nursing bitches. Free from colourants and preservatives.

**1. HIGH ENERGY AND NUTRITION CONTENT**

- High quality, easily digestible ingredients such as chicken and fish

**2. RICH IN MINERALS TO STRENGTHEN BONES AND TEETH**

- Right balance of calcium and phosphorous to strengthen bones and teeth
- With sodium-pyrophosphate to contribute to healthy teeth and gums
- Enriched with vitamin D to increase absorption of phosphorous

**3. PROMOTES A HEALTHY STOMACH**

- High energy content means smaller portions to avoid stomach problems
- Contains fructo-oligosaccharides and yeast which favour 'good' bacteria in the stomach and reduce the risk of diarrhoea
- Rich in beet fibers to stimulate intestinal movement. Also improves texture of stools.
- Contains lecithin to increase digestibility of fats

**4. STRENGTHENS IMMUNITY**

- Enriched with Vitamins A and E which boost immune system
- With b-carotene, an antioxidant to strengthen natural immunity
- Optimal content of fatty acids Omega 3 and Omega 6 to counteract inflammations and strengthen immunity

**5. GIVES A HEALTHY, SHINY COAT**

- Rich in fatty acids Omega 3 and Omega 6 to improve the condition of the skin and coat
- Enriched with copper to stimulate enzymes which maintain colour of coat

**6. VERY TASTY**

- Contains hydrolysed chicken protein to give a great taste
- Highest quality ingredients give taste that dogs love
